

## YOUR HEALTH MATTERS – A SURVEY FOR ANGUS RESIDENTS

Angus Health and Social Care Partnership would like to invite you to participate in our **survey for Angus residents aged 16+**.

Your feedback will help us:

- Find out what your needs and views are in relation to **health promotion and prevention of chronic illness**
- Find out what your expectations and suggestions are in relation to promoting health and preventing chronic illness in Angus
- Find out what opportunities you currently access and/or would like to access in the future
- Find out potential opportunities for community development and innovative projects in Angus.

Your information will help inform our Angus strategy, locality improvement plans and potential change projects.

The survey is **confidential**. You will therefore not be identified in the survey report.

The **deadline** for completing the survey is **31 January 2019**.

**To participate, please access the survey on the partnership's website:**
